

BELLT PRESS 400 KG/H

Gross price:
85 472 €

Net price:
69 489 €

Fully automatic belt presses are suitable for pressing fruit and vegetables. Thanks to the closed housing, the machine is not only protected from dirt on the outside, but also from oxidation. The fast and closed system makes your juice very fresh and tasty. Effective belt cleaning can be achieved with the help of brushes and belt washing systems. You need a separate high-pressure cleaner and air compressor to operate the system.

Technical data:

- Rated output: 400 kg/h
- Power requirement: 1.5 kW, 230 V, 16 A
- Material: Wnr. 1.4301, AISI 304 stainless steel
- Weight: 620kg
- Compressed air requirement: 6 bar
- Water consumption of the pressure washer: 360 L/h
- IP65 electronic control cabinet
- Height assumption: 1200 mm +/- 30mm
- Height of juice drain: 370mm

- Height of pomace ejection: 770mm
- Height of the juice pan pump connection: 170 mm
- Juice yield: Up to 75%
- Automatic juice collection tray
